Welcome to Explore Cooking!

Fun fact! The earliest known cookbook, Apicius, was written in the 1st century AD. It contains recipes for dishes like flamingo and stuffed dormouse—definitely not your typical dinner menu today!

Are you ready to level up your kitchen skills and have some fun? Join our exciting cooking workshops where you'll learn everything from mastering eggs in **Eggcellent**, to slicing like a chef in **Cut Like a Pro**, and crafting perfect pasta in **Pasta Magic**. You'll also explore the colorful world of veggies in **Veggie Vibes** and discover the secrets of preparing delicious poultry dishes in **Chik 'n Craft**.

At the end of the year, show off your new skills in the thrilling **Mini Masterchef competition**, where all students who participated throughout the year can get the chance to compete. Let's get cooking!

**IMPORTANT NOTICE:** Due to popularity students have the chance to participate twice a year. One time during the first five periods and one chance during the last period.
