Welcome to the Interact Club of Aruba at Schakel College

The Interact Club of Aruba is a vibrant and dedicated group of students at Schakel College, committed to making a positive impact both within our school and the wider community. Sponsored by Rotary International, our club is part of a global network that empowers young people to develop leadership skills, engage in meaningful service projects, and foster international understanding.

What We Do:

Throughout the school year, Interact Club members organize a variety of activities and initiatives, both in and outside of school, to support community causes, promote school spirit, and raise funds for important projects. Here's a glimpse of what we do:

- Community Service Projects: Our club takes on local initiatives that address important issues, such as environmental conservation and supporting underprivileged groups. We are passionate about making a difference in Aruba.

- In-School Events: We actively contribute to the life of Schakel College by organizing fun and engaging events like Spirit Week, where students show their school pride through themed activities. These events help strengthen our school community while promoting teamwork and inclusion.

- Bake Sales and Fundraising: To support our projects, we frequently host bake sales and other creative fundraising events. The funds we raise go toward both local community efforts and international causes, allowing us to make a meaningful impact in various areas.

- Leadership Development: As members of Interact, students take on leadership roles, organize events, and manage projects. These opportunities help students develop essential skills like communication, project management, and collaboration.

- International Collaboration: We connect with other Interact Clubs globally, working together on international campaigns that broaden our perspective and create a lasting difference.

Why Join?

Joining the Interact Club is a fantastic opportunity for students to give back, develop leadership skills, and have fun while doing it. From planning exciting school events like Spirit Week to making a difference through community service, members of Interact grow both as individuals and as a team.

We encourage students from all grades to participate and welcome the support of parents and the wider school community. Together, we can create lasting change!

Sign up possible for all grades through Ms. Melany
